

Annual Disclosure Statement for 1 April 2015 – 31 March 2016

What is the purpose of this statement?

This statement provides key information about the Milford KiwiSaver Plan ('Plan') - Milford KiwiSaver Conservative Fund ('Fund'). It tells you how the Fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

Description of the Fund

The Fund's objective is to provide consistent returns with relatively low levels of risk. It is expected to predominately hold a diversified mix of income orientated investments which will include growth assets, and take an active approach to sector and security selection.

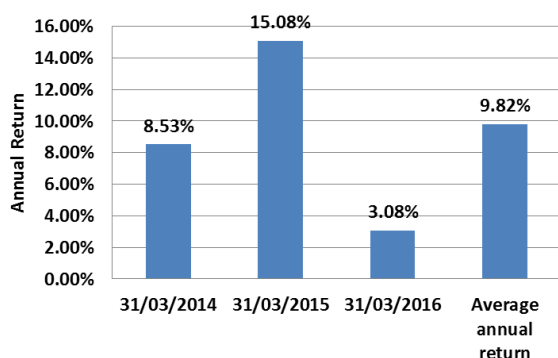

Total value of the Fund	\$21,251,699
Number of members in the Fund	884
Date the Fund started	1 October 2012

How has the Fund performed?

	Past five years ²	Past year
Annual Return (after deductions for fund fees and tax ¹)	n/a	3.08%

How has the Fund performed in the past?

This shows the return after fund fees and tax for each tax year since the Fund started and the average annual return since the Fund started. It's important to note that this doesn't tell you how the Fund will perform in the future.

What fees were members charged?

The returns above are after deductions for **fund fees**³. Over the past year these were:

Total fund fees	0.96% of members' investments
<i>Which are made up of:</i>	
Annual management fee	0.95%
Performance-based fees	0.00%
Other fees and costs ⁴	0.01%

Members were also charged **membership fees**⁵ of \$36 over the year.

See www.milfordasset.com/investing/kiwisaver/fees/ for more information about these fees.

Example of how this applies to a member

Mr Smith had \$10,000 in the Fund at the start of the year and didn't make any further contributions. At the end of the year, Mr Smith received a return after fund fees and tax were deducted of \$308 (that's 3.08% of his initial \$10,000). Mr Smith also paid \$36 in membership fees. This gives Mr Smith a total return of \$272 for the year.

Notes

¹ Returns in this statement are after tax at the highest prescribed investor rate ('PIR') of tax for an individual New Zealand resident. Your tax rate may be lower.

² The Fund has not completed five or more complete disclosure years, therefore, annual return for the past five years is not available.

³ Fund fees are fees charged as a percentage of a member's interest in the Fund (i.e. as a percentage of their KiwiSaver account balance).

⁴ We have estimated management fees charged by underlying funds into which the Fund invests. The estimate is based on the Fund's monthly average investment in the underlying funds concerned, multiplied by the underlying fund's monthly average annual management fee. Cash flow timings are assumed to be constant within the 12 month period.

⁵ Membership fees are the fixed dollar charges for membership in the Milford KiwiSaver Plan.
