This document gives you important information about this investment to help you decide whether you want to invest. There is other useful information about this offer on www.disclose-register.companiesoffice.govt.nz. Milford Funds Limited has prepared this document in accordance with the Financial Markets Conduct Act 2013. You can also seek advice from a financial adviser to help you to make an investment decision.
1. Key Information Summary

What is this?

This is a managed investment scheme. Your money will be pooled with other investors’ money and invested in various investments. Milford Funds Limited (‘Milford’, ‘we’, ‘our’, ‘us’) will invest your money and charge you a fee for its services. The returns you receive are dependent on the investment decisions of Milford and the performance of the investments. The value of those investments may go up or down. The types of investments and the fees you will be charged are described in this Product Disclosure Statement (‘PDS’).

What will your money be invested in?

The Milford KiwiSaver Plan (‘Plan’) offers three funds (‘Funds’) for you to invest in. These investment options are summarised below. More information about the investment target and strategy for each investment option is provided at Section 3 “Description of your investment option(s)”.

See Section 4 of this document “What are the risks of investing?” for an explanation of the risk indicator and for information about other risks that are not included in the risk indicator. To help you clarify your own attitude to risk, you can seek financial advice or work out your risk profile at www.sorted.org.nz/tools/investor-kickstarter.

Who manages the Milford KiwiSaver Plan?

Milford Funds Limited is the Manager of the Plan. See Section 7 “Who is involved” for more information.

How can you get your money out?

Currently, you can access your KiwiSaver balance when you reach the age of 65, and you have been in KiwiSaver for at least 5 years. For Members joining KiwiSaver from 1 July 2019, their KiwiSaver balance will be able to be accessed at the age of 65. From 1 April 2020, Members who enrolled before 1 July 2019 and who were aged between 60 and 64 inclusive when they enrolled will be able to choose to access their KiwiSaver balance on reaching the age of 65 (however they will no longer be eligible for compulsory employer contributions or the government contribution).

There are a limited number of other circumstances in which withdrawals may be made (conditions apply) before reaching the age of eligibility for a retirement withdrawal.

These include:

1. you suffer significant financial hardship or serious illness; or
2. when you are purchasing your first home; or
3. after you permanently emigrate from New Zealand; or
4. if you transfer from this scheme to another KiwiSaver scheme; or
5. if a court orders or law requires the release of funds from your investment; or
6. if you die; in which case your investment will be paid to your personal representatives; or
7. to meet your tax or student loan liability on any transferred foreign superannuation scheme interest.

See Section 2 “How does this investment work?” for more information.

How will your investment be taxed?

The Plan is a Portfolio Investment Entity (‘PIE’). The amount of tax you pay in respect of a PIE is based on your prescribed investor rate (‘PIR’). To determine your PIR go to www.ird.govt.nz (search “Using Prescribed Investor Rates”). See Section 6 of this PDS “What taxes will you pay?” for more information.
**Where can you find more key information?**

Milford is required to publish quarterly updates for each Fund. The updates show the returns, and the total fees actually charged to investors, during the previous year.

The latest Fund Updates are available at milfordasset.com/fund-updates-ks. The manager will also give you copies of those documents on request.

The Milford KiwiSaver Plan is registered under the Financial Markets Conduct Act 2013 (‘FMC Act’) as a KiwiSaver scheme. The Plan is a trust vehicle governed by a trust deed dated 1 August 2016. The Supervisor of the Plan (or its appointed custodian) holds the Plan’s investments. Trustees Executors Limited is the current Supervisor (‘Supervisor’) and supervises performance of our functions and obligations.

The Plan helps you save for retirement and provides retirement benefits for Members. At the date of this document, the Plan provides three Funds: Conservative, Balanced and Active Growth, and you can select a Fund or Funds into which your contributions will be placed.

The benefits payable depend on the amount of contributions made either by you alone, or by you and your employer, any additional amounts contributed either by or on behalf of you (such as the government contributions), plus any investment returns on contributions and other money invested.

Your money is pooled with that of other Members of the relevant Fund. The Funds are separately accounted for and assets of one Fund cannot be used to cover the liabilities of another Fund. The interests of Members are represented by units, which confer an equal interest in a Fund and are of equal value. The value of units in each Fund will change according to the changing value of the underlying assets in which the Fund has invested.

The Funds are actively managed portfolios that provide a broad range of investment options. The Funds also utilise the benefits of the PIE tax regime. The Funds are managed by Milford, a wholly owned subsidiary of Milford Asset Management Limited.

There are no regular distributions from the Plan. Conditions apply to withdrawals as described in the “Withdrawing your investments” section.

Responsible investment, including environmental, social, and governance considerations, is taken into account in the investment policies and procedures of the scheme as at the date of this product disclosure statement. You can obtain an explanation of the extent to which responsible investment is taken into account in those policies and procedures at www.milfordasset.com/new-to-investing/our-investment-approach.

There is no Crown guarantee in respect of any KiwiSaver scheme or investment product of a KiwiSaver scheme.

Joining the scheme

As at the date of this PDS, you can join the Plan if you are an individual below the New Zealand superannuation qualification age (currently 65), you are living or normally living in New Zealand (subject to certain exceptions) and, you are a New Zealand citizen or entitled to be in New Zealand indefinitely. Note that from 1 July 2019, anyone aged 65 or more can join KiwiSaver provided they are otherwise eligible.

You can join the Plan if you are:

- a member of another KiwiSaver scheme; or
- a non-KiwiSaver member, who is:
  - a new employee where your employer has chosen the Plan as their preferred KiwiSaver scheme; or
  - a person (whether a new employee or not) who is eligible to join.

Milford may reject any application to join the Plan. A current minimum initial lump sum investment of $1,000 applies if you are new to KiwiSaver and are not joining as an employee.
Making investments

If you are an employee, you can choose to contribute either 3%, 4%, 6%, 8% or 10% of your gross salary or wages (as defined in the KiwiSaver Act 2006). This currently includes salary or wages plus other remuneration such as bonuses and overtime.

If you do not select a rate, your contribution rate will automatically default to 3%.

Your employer will deduct your contributions from each payment of your after-tax salary or wages and pay them to Inland Revenue. Inland Revenue will then pay the contributions (with any interest) to the Plan.

You can change your contribution rate to either 3%, 4%, 6%, 8% or 10% of your gross salary or wages at any time by notifying your employer.

You can also make additional regular or lump sum contributions.

If you are self-employed, not working or taking a savings suspension, or under the age of 18, you can make contributions at any time.

If you become a member of the Plan as a result of being enrolled via your Employer Chosen Scheme and have not selected a Fund, you will be deemed to have selected Conservative.

In the event of the ‘Investment Details’ section of the application form being incomplete and we have not been able to contact you to determine which Fund you wish to invest, Milford has the discretion to allocate you to Conservative.

Government Contributions
Previously called Member Tax Credits (‘MTCs’)

The government will contribute (if you are eligible) 50 cents for every dollar you contribute up to a maximum of $521.43 per year (1 July to 30 June). You are eligible if you are 18 years or over, reside mainly in New Zealand (exceptions apply) and are below your superannuation qualification age (see below). This is paid directly into your KiwiSaver account around July each year.

Withdrawing your investments

You can only withdraw your investment as specified in the KiwiSaver Act 2006 or otherwise as required by law. Your interest in the Plan may not be assigned or charged or passed to any other person. You may only withdraw your contributions in the following circumstances:

Superannuation qualification age

If you join KiwiSaver before 1 July 2019, you can withdraw your investment:

- when you reach the New Zealand superannuation qualification age (currently 65); and
- you have been in KiwiSaver (and/or a complying superannuation fund) for at least five years.

If you join KiwiSaver after 1 July 2019, you can withdraw your investment when you reach New Zealand superannuation qualification age.

As from 1 April 2020, if you joined KiwiSaver before 1 July 2019 and were aged between 60 and 64 inclusive when you enrolled you will be able to withdraw your investment on reaching the age of 65 (however you will no longer be eligible for compulsory employer contributions or the government contribution).

At that time you can:

- withdraw the full amount of your investment, in which case your KiwiSaver account will be permanently closed; or
- withdraw part of your investment (conditions apply); and/or
- make regular withdrawals (conditions apply).
First home

Once you have been in KiwiSaver (and/or a complying superannuation fund) for three years, you may be eligible to withdraw your investment (leaving a minimum of $1,000 in your account) to put towards buying your first home.

Significant financial hardship

If you are suffering significant financial hardship, as determined by the Supervisor, you may be able to withdraw some of your investment. The amount you are able to withdraw may be limited and will exclude government contributions.

Serious illness

If you are experiencing terminal illness or permanent disability affecting your ability to work, as determined by the Supervisor, you may be able to withdraw up to the full balance of your investment.

Death

In the event of your death, Milford will pay your investment to your estate’s personal representatives.

Withdrawals required by law

If any law or a court requires the release of funds from your KiwiSaver account, such as in divorce proceedings, then that amount will be paid out, or transferred.

Transfer to another KiwiSaver scheme

You may transfer to another KiwiSaver scheme at any time. You may only be a member of one KiwiSaver scheme at a time.

Permanent emigration

A year after permanently emigrating from New Zealand (other than to Australia) you may apply to withdraw your full KiwiSaver balance (less any accumulated government contributions and any amount transferred from an Australian complying superannuation scheme) or have it transferred to an authorised foreign superannuation scheme.

If you emigrate to Australia you can transfer the full balance of your investment to an Australian complying superannuation scheme (conditions apply).

Transferring your interest in a foreign superannuation scheme

The transfer from some foreign superannuation schemes to the Plan can create a tax liability. Funds from your account (excluding any accumulated government contributions) may be withdrawn to pay this. A withdrawal will also be available if a student loan repayment obligation arises on transfer of your foreign superannuation interest to the Plan.

Australian sourced funds

Different rules may apply to withdrawals if you have transferred Australian superannuation savings to the Plan. Please refer to the Member Guide.

Suspending withdrawals

We may, with prior notice to the Supervisor, defer payment of a withdrawal where, due to certain circumstances arising (for example, political or market conditions), we form the opinion that it is not practicable, or would be materially prejudicial to Members, for such withdrawals to be made.

How to switch between Funds

You can switch from one Fund to one or more Funds online via your client portal or by signing and returning a Switch Form found at www.milfordasset.com/forms-documents.

Need more information?

More information on joining, contributions and withdrawing is included in the Member Guide found at www.milfordasset.com/forms-documents or www.disclose-register.companiesoffice.govt.nz.

Milford is an active manager and may at times deploy investment strategies that differ (within the allowable minimum and maximum bounds) materially from the above targets.

* Market index returns have been used for the period in the table below to calculate the risk indicator for Conservative as its investment policy has changed significantly and its returns before the change would not reflect its current investment policy. This means that the risk indicator for Conservative does not reflect the actual returns for the period specified in the table below. Therefore, the risk indicator may provide a less reliable indicator of the potential future volatility of the Fund.

We regularly review our Statement of Investment Policy and Objectives (‘SIPO’) and may amend it, in consultation with the Supervisor. We will notify you of any material changes before making them. Changes will also be communicated no later than the next quarterly Fund Update. The current SIPO can be found at www.milfordasset.com/forms-documents or at www.disclose-register.companiesoffice.govt.nz.

4. What are the risks of investing?

Understanding the risk indicator

Managed funds in New Zealand must have a standard risk indicator. The risk indicator is designed to help investors understand the uncertainties both for loss and growth that may affect their investment. You can compare funds using the risk indicator.

The risk indicator is rated from 1 (low) to 7 (high). The rating reflects how much the value of the Fund’s assets goes up and down (volatility). A higher risk generally means higher potential returns over time, but more ups and downs along the way.

To help you clarify your own attitude to risk, you can seek financial advice or work out your risk profile at www.sorted.org.nz/tools/investor-kickstarter.

Note that even the lowest category does not mean a risk-free investment, and there are other risks (described under the heading “Other specific risks”) that are not captured by this rating.

This risk indicator is not a guarantee of a Fund’s future performance. The risk indicator is based on the returns data for the five years to 31 March 2019. While risk indicators are usually relatively stable, they do shift from time to time. You can see the most recent risk indicator in the latest Fund Update for the relevant Fund.

The risk indicator has been calculated on the basis of five years of historic fund returns where available, and market index returns where required. Hence, the returns data used may not represent a full investment cycle for the Fund and the risk category may be different if calculated using a longer timeframe. If the period of returns used reflected an environment of unusually low or unusually high volatility, the risk indicator may not reflect the Fund’s future volatility.

General investment risks

Some of the things that may cause the Fund’s value to move up and down, which affect the risk indicator, are: investment return risk, market risk, interest rate risk, credit risk, equity risk, liquidity risk and currency risk. These risks are summarised below:

Investment return risk

Past performance is no guarantee of future performance. As Milford is an active manager, there is a risk that a Fund may underperform compared with its investment objective or with the market.

Market risk

Returns of a Fund will be affected by the performance of the investments chosen for that Fund which may in turn, be affected by the performance of the investment markets generally. This risk, related to market performance, includes demand and supply in the market and economic and regulatory conditions, including market sentiment, inflation, interest rates, employment, political events, environmental and technological issues, and consumer demands.
Interest rate risk

This refers to the risk that the market value of the investments of a Fund can change due to changes in interest rates. The market value of fixed interest securities can fluctuate significantly with relatively small changes in interest rates.

Credit risk

The value of debt securities may be impacted by the issuer’s ability to pay interest and principal owed as they become due. If there is a negative perception of the issuer’s ability to meet its payment obligations, the value of the debt security may decrease.

Equity risk

A Fund’s investment in an entity may be affected by unexpected changes in that entity’s operations or business environment, including the risk that the entity may become insolvent. If this occurs, the Fund may receive a smaller or no return from, or it may lose, its investment in the entity.

Liquidity risk

Some investments may not be easily converted into cash with little or no loss of capital and minimum delay, because of insufficient availability of buyers, suspension of trading on request from the market regulator or the entity involved, fund outflows, or disruptions in the market place. Securities of small entities in particular may, and especially in falling markets, become less liquid. Milford may hold a small number of unlisted securities that are far less liquid than listed securities.

Currency risk

Where underlying investments are invested in jurisdictions outside of New Zealand, the returns may be affected by movements between the other currencies and the New Zealand dollar.

Other specific risks

Circumstances may arise that significantly increase the risk to returns (and which are not reflected in the risk indicators). These are broader risks that you should be aware of.

Fund of funds risk

The Funds invest primarily into Milford Wholesale Funds. The Funds may also invest into externally managed funds. An investment of a Fund in an underlying managed fund may be affected by unexpected changes in that underlying managed fund’s operations or business environment. There may also be a risk that the underlying managed fund may have its assets frozen for a period of time or that the manager of that fund suspends withdrawals. This may have an impact on your ability to withdraw, transfer to another KiwiSaver scheme or switch between Funds.

To reduce this risk Milford monitors and reviews the investment performance of underlying fund managers.

More detail on these risks and other general risks is included in the Plan’s Other Material Information document available at www.milfordasset.com/forms-documents or www.disclose-register.companiesoffice.govt.nz.
5. What are the fees?

You will be charged fees for investing in the Funds. Fees are deducted from your investment and will reduce your returns. If Milford invests in other funds, those funds may also charge fees. The fees you pay will be charged in two ways:

- regular charges (for example, annual fund charges). Small differences in these fees can have a big impact on your investment over the long term;
- one-off fees (currently none).

</table>

* The base fund fee includes an estimate of applicable underlying fund charges ranging from 0.00% to 0.02%. Actual charges will depend on the performance of the underlying funds and will vary from the estimates.

** To estimate the annual performance fees, we have assumed the Fund will achieve the returns of the market index over the last 10 years as at 31 March 2018 and assessed them against the returns of the relevant Fund’s performance benchmark over each performance review period.

<td>0.42%</td>
</tr>
</tbody>
</table>
Please refer to the Member Guide for more information on performance fees.

Actual fund charges over the past disclosure year are available in the latest Fund Updates.

Total annual fund charges are set out as a percentage of the Fund’s net asset value.

Annual fund charges are made up of:
- a base fund fee
- any applicable estimated performance fees.

The base fund fee covers:
- normal fund operating costs such as investment management, supervisor, custodial, fund accounting, audit and legal costs and is paid monthly. These fees are deducted from, and are reflected in, the Fund unit prices of the relevant Funds; and
- estimated underlying external fund charges, where applicable.

If Milford is unable to determine the external fund charges, then these have been estimated from recent financial statements based on the actual costs as a percentage of the average net asset value that were charged for the fund’s previous financial year. These are reflected in the prices of the external funds that are used in the calculation of the unit price of the relevant Fund.

Performance fees

Conservative does not charge a performance fee. Balanced does not directly charge a performance fee, but it may invest in related Milford funds that have performance fees (see table below). As manager of Active Growth, we are entitled to be paid a performance fee from that Fund.

Our performance fees are based on a hurdle rate of return. The ‘hurdle rate’ is the minimum return the Fund must achieve before being able to charge a performance fee.

In our Fund Updates we are required to report the Fund’s performance against a market index and have therefore provided a blend of market indices that represent the Fund’s target asset class positions.

Active Growth and the Milford Australian Absolute Growth Fund (‘Australian Absolute Growth’) (into which Balanced invests) are absolute return style funds; the hurdle rate of return (which represents the Fund’s aims) is the measure for the Fund’s performance-based fees. This means you may be paying a performance fee if the Fund’s performance beats the hurdle rate of return but does not match or beat the performance of the blend of market indices.

We can charge other fees on an individual basis for investor specific decisions or actions, such as entry or exit fees. At the date of this document, there is no separate entry or exit fee for acquiring units or withdrawing from the Funds. However, the cost of acquiring or selling investments or the buying or selling of units may be taken into account in setting the unit price payable on application or withdrawal.

The other charges cover fees that relate to the administration of your account. They are charged by us and are paid monthly.

Fees are inclusive of GST where applicable.

**Performance fees are payable to Milford as Manager of the Funds.**
Example of how fees apply to an investor

Alex invests $10,000 in Balanced. He is not charged an establishment fee or a contribution fee, because there are currently none.

This means the starting value of his investment is $10,000.

He is also charged management and administration fees (base fund fee), which work out to about $107 (1.07% of $10,000). These fees might be more or less if his account balance has increased or decreased over the year.

Alex may also be indirectly charged a performance-based fee if the underlying Milford Funds in which Balanced is invested earned more than their target.

Over the year, Alex pays other charges of $36.

The fees can be changed

See the latest Fund Update for an example of the actual returns and fees investors were charged over the past year.

This example applies only to Balanced. If you are considering investing in other Funds in the scheme, this example may not be representative of the actual fees you may be charged.

The existing fees may be changed or new fees imposed, provided we give you notice. We must publish a Fund Update for each Fund showing the fees actually charged during the most recent year. Fund Updates, including past Updates, are available at www.milfordasset.com/fund-updates-ks or at www.disclose-register.companiesoffice.govt.nz.

6. What taxes will you pay?

The Plan is a Portfolio Investment Entity (‘PIE’). The amount of tax you pay is based on your prescribed investor rate (‘PIR’). To determine your PIR go to www.ird.govt.nz (search “Using Prescribed Investor Rates”). If you are unsure of your PIR, we recommend you seek professional advice or contact Inland Revenue.

It is your responsibility to tell Milford your PIR when you invest or if your PIR changes. If you do not tell Milford, a default rate may be applied. If the advised PIR is lower than the correct PIR, you will need to complete a personal tax return and pay any tax shortfall, interest, and penalties. If the default rate or the advised PIR is higher than the correct PIR, you will not get a refund of any overpaid tax.

You must provide us with your IRD number, and also your PIR or tax is required to be deducted at the highest PIR. Current PIRs can be found in the application form at the back of this PDS.

Please see the Member Guide at www.milfordasset.com/forms-documents or www.discard-register.companiesoffice.govt.nz for further information on tax.

Investor Identification

The Anti-Money Laundering and Countering Financing of Terrorism Act 2009 requires Milford to verify the identity of new clients and, periodically, reconfirm information about existing clients. At the date of the attached Product Disclosure Statement (‘PDS’) we have two options for clients to confirm their identity. Please select one of the options below.

**Option 1: Electronic Identity Verification and Proof of Address**

Milford can confirm the identity and/or New Zealand address of many of our clients electronically, with their permission. Please note that we use a third party system not owned by Milford to conduct identity checks in this way.

- I confirm that I give Milford authority to check my identity and/or address electronically using the documentation provided.
- I have included a copy of my current NZ Passport (preferred) or NZ Driver Licence (front & back)

Please note, if this method fails to identify you, we will contact you to provide physical documents, as per Option 2 below.

**Option 2: Certified copies of Identity Documents**

If you prefer to provide Milford with original certified copies of your identification and address documents or you have opted not to use Electronic Identity Verification, then you will need to provide the following documentation:

Please note we need certified photocopies of your documents (we need the copy that has been physically certified). These documents cannot be scanned to us. Please do not send original versions of your identity documents.

- Please verify my identity and address with the attached documents:
  - Certified copy of identification document/s (see below for acceptable documents)
  - Certified copy of physical address (see page 4 for acceptable documents)

1. **CERTIFIED COPY OF IDENTIFICATION**

Originals can be verified by a Milford employee or certified by a Trusted Referee as described on page 4.

**ACCEPTED TRUSTED REFEREES**

Originals can be verified by a Milford employee OR certified by a Trusted Referee in accordance with the instructions outlined below. Certified copies of identification must be presented to Milford within three months of certification.

- Lawyer with a current practising certificate
- Chartered Accountant
- Member of the Police
- Justice of the Peace
- Registered Medical Doctor
- Registered Teacher
- New Zealand Honorary Consul
- Notary Public
- A person who has the legal authority to take statutory declarations or the equivalent in New Zealand

The certifier must:

- Make the statement: "I certify this to be a true copy of the original which I have sighted and represents a true and correct likeness of [name of the person presenting the documentation for certification]."
- Include their name, occupation and capacity to be a certifier e.g. registration number (if applicable), signature and date of certification.
- Not be living at the same address, a relative or spouse of the individual presenting the documents.
Privacy Statement

1. The personal information you provide in this Application Form (and identity information collected in connection with this Application Form), or in the future, will be collected and held by Milford Funds Limited (“Milford”) for purposes relating to the administration, marketing, operation, security and management of the Funds, the provision of services to you, and compliance with any laws, rules and regulations whether in New Zealand or in any other country. Your personal information may be disclosed to, and held and used by, the following persons:
   - The Supervisor of the Funds
   - Milford Asset Management Limited or any of its subsidiaries or related companies (together, the “Milford Group”)
   - Inland Revenue
   - Financial Markets Authority
   - Any third party, whether in New Zealand or elsewhere, that provides services to the Milford Group. In particular, if you have opted for electronic identity verification, the information will be shared with external agencies who may use a credit file header database to verify your address (note, this is not a credit check)
   - Your own financial adviser (and their staff), this only applies if you are investing via them (you are responsible for advising us if and when this relationship ends)
   - Any other person or entity where it is relevant to do so for the purposes set out above.

We can also release personal information to third parties as instructed by you and in other ways permitted by the Privacy Act.

2. Your personal information may also be used by, and you consent to the use of your personal information by, Milford or any other member of the Milford Group to keep you informed about other financial opportunities, products and services of any Milford Group member, including by email, by text message, by Milford Group’s online portal or by any other electronic means. Any electronic communication offering other financial opportunities, products or services will include an unsubscribe facility.

3. You have the right to access and request correction to the personal information you have supplied, by contacting Milford on 0800 662 346 or by emailing us at info@milfordasset.com. Any update to your personal information may be used to update other information held about you by any member of the Milford Group.

Electronic provision of information

4. I consent to receiving any communication from the Supervisor or any member of the Milford Group electronically via Milford Group’s online portal, or at the email address specified in this Application Form, or any other email address advised to any Milford Group entity from time to time. These communications include those required by law and those provided in connection with your Fund, including annual reports and annual tax certificates.

Declaration

- I have read a copy of the Product Disclosure Statement dated 7 June 2019 (“PDS”), and understand that additional information about the Funds is available on the Funds’ online register entry.
- I agree to be bound by the terms and conditions of the PDS and the Trust Deed.
- I understand that the Milford KiwiSaver Plan is a vehicle for long-term investment and as the Funds invest in equities, the value of my investment is liable to fluctuations and may rise and fall from time to time.
- I accept that it is solely my decision to make this investment and that I have chosen the appropriate Fund for my risk tolerance and circumstances.
- I understand that Milford has not assessed the suitability of this investment for my personal financial situation, financial needs or goals.
- I understand the manner in which the fees will be deducted from my investment.
- I acknowledge that I will be unable to make any withdrawal from the Funds until Milford has received my signed withdrawal request and any supporting or identification information required.
- All the information I have provided in this Application Form is to the best of my knowledge and belief, correct and complete. I undertake to notify Milford of any change which causes the information to become incorrect or incomplete.
- I acknowledge and agree to the terms of the Privacy Statement and electronic provision of information above.

For KiwiSaver transfers only:

- I apply to transfer my KiwiSaver account to the Milford KiwiSaver Plan.
- I authorise the manager or the Trustee of the transferring scheme to provide to Milford or the Supervisor of the Milford KiwiSaver Plan any of my personal information as necessary to complete the transfer of my benefits to the Milford KiwiSaver Plan.

If you wish to transfer a non-KiwiSaver superannuation to your KiwiSaver account, please contact Milford directly.
