1. The Fund does not have a performance benchmark, hence a market index has been included for comparison purposes. See the Statement of Investment Policy and Objectives for more details on the market index. The market index is a blend of indices that represent the Fund's neutral asset allocation. Note the Fund's investment strategy is designed to achieve its objective, which may mean that at times, the returns of the market index may not be an appropriate measure. 2. After the base fund fee but before tax and before the performance fee. 3. Where applicable, the Base Fund Fee includes an estimate of non-related underlying fund charges. 4. The Total Fund Fees comprise the Base Fund Fee and any estimated Performance Fee. Please refer to the Product Disclosure Statement for more information as to how these are calculated. 5. Please note past performance is not a guarantee of future returns.

Please refer to the 'Glossary for the Monthly Fact Sheet' at milfordasset.com/fact-sheet-ks for more information about the data published within this document.
