This information will help you to choose a Financial Advice Provider that best suits your needs.

Nature and scope of my Advice

I will provide you with financial advice about the Milford KiwiSaver Plan. My financial advice is one-off. This means it is up to you to contact me if you want me to revisit the suitability of your KiwiSaver investment or if your circumstances change.

Limitations to my Advice

My advice is limited to the Milford KiwiSaver Plan only. I am unable to provide you with any financial advice or comparison about any other KiwiSaver scheme. In providing you with financial advice, I will only consider your KiwiSaver investment.

I do not give specific advice on some of the wider issues you may need to consider such as budgeting, estate planning, taxation and insurance planning. You will need to consult a specialist if you would like advice on these matters.

**Milford Private Wealth Limited holds a licence issued by the Financial Markets Authority to provide financial advice.*

Fees and Expenses

There is no fee for receiving my financial advice.

Fund Fees

You will be charged fees for investing in the Milford KiwiSaver Funds. Fund fees are automatically deducted from your investment and will reduce your returns.

Please refer to the current Milford KiwiSaver Plan Product Disclosure Statement (which is available to be downloaded from the Documents section of the website) for a breakdown and examples of total estimated annual fund charges, performance-based fees and other charges. In addition, further information about Milford's fund fees can be found on our website at milfordasset.com/information-hub/fees

What are my obligations?
